Directions

From the north or south on I-5 (see map below)

1. Take the Mercer Street exit (Exit 167). The exit ramp is four lanes wide (two lanes for the main line and two lanes for the express lanes). Stay in one of the two center-most lanes.
2. Continue west on Mercer Street for four blocks. Just past 9th Avenue, the two center lanes of Mercer Street will automatically become Broad Street.
3. Continue on Broad Street under the SR 99 (Aurora Avenue) overpass.
4. Just beyond the overpass, turn right onto Harrison Street.
5. At the end of the block, turn right onto Fifth Avenue N.
6. Continue three blocks, turn left onto Roy Street.
7. Continue seven blocks, and turn left onto Queen Anne Avenue N.
8. At the end of the block, turn right onto W Mercer Street.
9. Continue two blocks to 200 W Mercer Street.

The building is on the north side of the street. On-street parking (metered and free) is available in the neighborhood. The entrance to the building's pay parking garage is around the corner on Third Avenue, on the west side of the building.
